

7th Grade Class Selection Information

This form is an explanation of the classes that 7th graders will be taking at HMS, as well as, a description of elective and fine art options. You will use this information page to help you make selections while your student “enrolls” for fall classes.

7th grade Required Classes:

- | | | |
|-------------------|--------------------|-------------------------------|
| 1. Math | 4. Science | 7. Advisor Base |
| 2. English | 5. Physical Ed. | 8. Career Studies (1 quarter) |
| 3. Social Studies | 6. Comp. App./Tech | |

7th Grade Fine Arts Class (year long classes):

Art	Vocal	Band	Drama 101 - This semester long class will focus on the elements of drama and getting comfortable with performing. <i>Students who are taking Band will not be able to take Drama.</i>
-----	-------	------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

7th Grades Electives:

These descriptions are to help you select the quarter long elective that your student will take at HMS. In the enrollment process, you will have to select your first **four** choices and two alternate choices. ****These classes are subject to space availability, so your student may not get these in the order selected.**

Developing Life Literacy - This class will address skills in 3 areas: nutrition and wellness, consumerism, and building healthy relationships. We will spend some time learning about foods and food preparation, how to be a better consumer and demonstrating relationship skills and understanding in both the community and home.

Strength & Conditioning - This class will be a mixture of activities focused on agility, flexibility, and core strength.

Genius Hour - Students will choose, research, create, produce and present projects based on their individual learning interests. Possible ideas include community service projects, languages, real-world problems, designing things, raising money for a cause, learning a new skill and exploring topics students want to learn about.

Publications (1 semester) - This fast-paced production course will enable students to gain hand-on experience in the collection, assembly and production of the school yearbook using today’s modern technology, digital cameras, online publishing software while gaining experience in digital photography, graphic design layout, copywriting, photo and copy editing, fundraising, project management and publishing. ****This class is recommended by the teacher to be a 2 semester selection.**

Landscape - Learn the basics of what makes lawns and landscapes beautiful. In this course, you'll learn the fundamentals of gardening, lawns, as well as landscape design. You will learn how to draw out your ideas and blend flowers, trees and shrubs into beautiful designs. Learn how to apply your own creativity and translate your ideas into works of art.

I-Fit - Through the use of technology including Ipad and/or Chromebook students will engage in classroom lessons and **ACTIVITIES (gym games)** to enhance their knowledge of health and physical activity. Students will explore nutrition, fitness testing, free play, alcohol and drug effects, energy drinks and mind/body connection. **(This class can be taken by 7th graders that did not take it as a 6th grader.)**

Creative Writing - In this class you will discover your inner author. Start on the road to writing a blog, a best-selling young adult novel or some poetry.

Tech Explorations - This class will be an investigation into the newest and most current forms of technology and where technology is headed.

Science Olympiad - This elective is intended for students who are current members who are unable to participate in the after school practices or students who are interested in finding out more about Science Olympiad. In this class, team members will work on researching, building, and practicing for the multiple competitive events that will be offered to them. Multiple areas of science and project based events addressed. ****This class is available for two quarters. Students interested will need to choose this as either one or two elective options when enrolling.**

Art Exploration - This quarter class is only for students who choose Band or Vocal for a fine arts class, but would also like to take an art class.

EO Choir - This quarter class is only for students who choose Band or Art for a fine arts class, but would also like to take a vocal class.

7th Grade Class Selection Directions

The following are step-by-step directions to help you work through the class selection process. This process is meant to be completed by students with the help of their parents, however, there is no parent signature required for classes to be submitted.

Step One:

*****Please review all class descriptions on the previous page before starting the selection process.*****

Students will need to log into THEIR Powerschool page. This can be done by going to the following web-site: <https://usd336.powerschool.com/public/>

You may email Mrs. Marten or Mr. Kimberlin if you have forgotten your Powerschool username and password. a.marten@holtonks.net or m.kimberlin@holtonks.net

After logging into Powerschool, look on the left side of the screen, and click on the “Class Registration” button. (See the Red Arrow below)

The screenshot shows the PowerSchool SIS interface. On the left is a navigation menu with options: Grades and Attendance, Grade History, Attendance History, Teacher Comments, School Bulletin, Class Registration (highlighted with a red arrow), Balance, My Schedule, and School Information. Below the menu are links for District Code (XQRB), App Store, and Google Play. The main content area is titled 'Grades and Attendance: [REDACTED]' and contains a table for 'Attendance By Class'.

Step Four:

Next, you will need to make class selections for your “Electives” class. Click the box with the pencil in it to edit the selection. Once you select this edit tool an edit box will open, allowing you to make a selection (Red Arrow below) and choose “okay” (Blue Arrow below). Your student will need to make **four** different selections (First choice should be the class most desired) and two alternate choices. Once the selection is made, there should be a green checkmark next to the pencil or edit tool. At this point you will move onto the next selection.

The screenshot shows the '7th Elective Choice #1' selection window. A table lists available courses with checkboxes for selection. A red arrow points to the 'Creative Writing' checkbox, and a blue arrow points to the 'Okay' button. A yellow circle highlights a warning message: 'You may select 1 course. You have selected 0 course(s)'. The background shows the '7th grade Fine Arts S1' and 'S2' sections.

Step Five:

Finally, after you have **green checkmarks** on all the selection areas (Blue Arrows below), then you need to **REVIEW** your selections. Make sure that your selections are correct. After you have double checked your selections, click the “Submit” button (Red Arrow below) at the bottom of the screen. If you do not click submit, your selections will not be saved. ****Reminder**** All classes are subject to space availability, so your student may not take these in the order selected.

The screenshot shows the final selection review screen. It lists the selected courses for each elective choice, each with a green checkmark and a blue arrow pointing to it. The 'Additional Requests' section is at the bottom, and a red arrow points to the 'Submit' button.
